

Scholarship Application Pied Piper Players

Pied Piper Players offers scholarships for participation in our Mainstage Productions, so that all children have an opportunity to have theatrical experiences. Our ability to offer scholarships is dependent upon donations to our scholarship funds. We also offer payment plans for those who can afford the full registration fee but need to extend payments over a longer period of time.

Please answer the questions below, and email your application to either Maureen Goldrath (Maureen.goldrath@comcast.net) or Susan Melanson (mskj@msn.com). The person who receives your application will ensure that the contents are anonymous before the scholarship committee reviews applications.
